Administration

One of my favorite songs has a line, "like the stars across the sky, we are born to shine. All of us because we believe." You have worked very hard this past year making many sacrifices to accomplish your goal. It took courage, perseverance and hard work. You believed in yourself and others; family, friends, teachers and fellow classmates believed in you. You made it!

We, at Southeastern, are very proud of you .
We see wonderful things in your future.

Go now, out into the world and "shine".

Health and Happiness,
Beverly A. Pusateri
